LC

DNV GL UK Ltd Certificate No.: 19-UK-PED 030-D1
Place and date: Aberdeen, 11 June 2019.
Revision No: 0.

Limitations

The certificate is subject to the following limitations:

- In case of damages caused by defective products, directive 85/374/EEC, as amended, will apply
- The certificate is only valid for the products and/or manufacturing premises listed above.
- The certificate is only valid for designs based upon the non-harmonized product standards listed above.
- The Manufacturer shall fulfil the obligations arising out of the quality system as approved and uphold it so that it remains adequate and efficient.
- The Manufacturer shall inform the local DNV GL Office of any intended updating of the quality system and DNV GL will assess the changes and decide if the certificate remains valid.
- The Manufacturer shall inform the local DNV GL Office of any addition of products outside the scope for this Certificate and DNV GL will decide if a reassessment of the quality system is required.
- Periodical audits will be held, in order to verify that the Manufacturer maintains and applies the quality system. DNV GL reserves the right, on a spot basis or based on suspicion, to pay unannounced visits.
- The local DNV GL Office must be informed of any sub-suppliers for main pressure retaining parts.
- The company must generate and maintain a technical file for all piping manufactured under this certificate.

The following may render this Certificate invalid:

- Changes in the quality system.
- Periodical audits not held within the allowed time window.

Conformity declaration and marking of product

When meeting with the terms and conditions above the Manufacturer may draw up an EU Declaration of Conformity and legally affix the CE mark followed by the Notified Body identification number of DNV GL UK Ltd Notified Body No.: 0097.

Terms and conditions for the certificate

Valid terms and conditions are found in the DNVGL Frame Agreement.

END OF CERTIFICATE

DNVGL Ref: A0692825.

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.
